

NPO GOVERNANCE PROGRAMME

4 months Online Certificate Course

NPO GOVERNANCE PROGRAM—an introduction

- Non – Profit Organisation (NPO) Governance Program is a four months online certificate Program which takes the participants systematically through a sustained learning process.

- The program is taught on a web based interactive learning platform.

- The objective of the program is to build capacity and

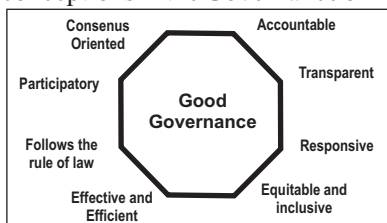

create a facilitative atmosphere of personnel working in the voluntary sector in the area of NPO Governance (includes Voluntary Associations/ Civil Society Organization).

- Since the program is built on virtual platform, it is open to participants globally.
- Total number of seats per batch is 20.
- To register, please log on to <http://fmsfllearningsystems.org/registration.aspx>

LEARNING OUTCOMES OF THE PROGRAM

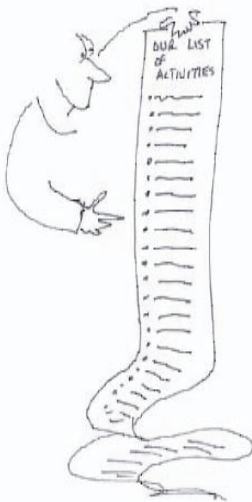

After the successful completion of the program, individuals are expected to;

- Gain a basic understanding of the Governance Principles and mechanism in NPOs.
- Have an overview of the Governance structure and processes.
- Be able to understand the basic roles and responsibilities of the Board Members.
- Gain a basic understanding of the Governance Checks and Balances required for an NPO.
- Identify the common myths and misconceptions in the Governance of NPOs.

The Financial Management Service Foundation (FMSF) is a Development Resource organization specializing in financial management, legal and governance issues pertaining to Development Organization. FMSF is guided by the core values of accountability, transparency, humaneness and sensitivity. The work done by FMSF includes capacity building; networking, information dissemination, action research, knowledge building and financial monitoring of projects.

FMSF has published number of books on Financial Management, Legal Regulations, Social Audit and Social Accountability Standards etc related to the voluntary sector. It also publishes a six monthly journal 'Interface' that covers governance, legal and financial issues pertaining to the sector. FMSF also publishes "Standards and Norms", a monthly e-communiqué which aims to provide relevant information and guidance on NPO governance, Financial Management and Legal Regulations.

FMSF runs a web-based one year diploma program on Financial Management and Accountability (DFMA) in association with Tata Institute of Social Sciences, one of the premier universities in India for social work education.

Centre for Promoting Accountability (CPA), a social enterprise, intends to bring Accountability in Development sector by infusing best practices and professionalism through its services. CPA is part of the 'Financial Management Service Foundation (FMSF)' family and carries forward the mandate of FMSF to promote accountability and build capacity in the NPO sector. CPA provides consultancy services like financial review and evaluations, pre-funding assessments, trainings; action research etc.
