The Forum Focuses on

- How to think of 'Impact first' in project ideation and planning
- Tools to transform your project into impact-focused project
- Need-based project curation or scaling-up of projects
- To Learn, Unlearn and Relearn, exchange ideas and share experiences for better outcomes and impacts
- Aligning your projects with SDGs
- How to leverage expertise of cross-sectoral organizations to deliver the best

A Few Highlights of the Forum

- **Thematic sessions** on impacts in education, healthcare, water, environment, livelihoods and more
- **Masterclasses for Corporates** in the areas of impact communication, employee volunteering etc.
- **Non-profit Masterclasses** on fundraising, storytelling, effective CSR partnerships
- Experience 30+ innovative solutions, impactful CSR projects through **exhibition gallery**
- An **opportunity to interact** with CSR and development sector leaders

The Context

India Impact Forum 2020, Mumbai Edition is a carefully curated forum will be held on 5th Feb. 2020 at Hotel Hyatt Regency, Mumbai. The event is hosted by CSRBOX and NGOBOX- the curators of South Asia's largest annual CSR forum- India CSR Summit. We have recently concluded the 6th edition of India CSR Summit in Delhi where the event witnessed participation of 2897 delegates from over 1650 organizations including 500 plus corporate and 1000 plus non-profits and other implementing agencies.

With this we invite you to join us at India Impact Forum in Mumbai.
